# METOS ARDOX S2 TABLETOP RANGE

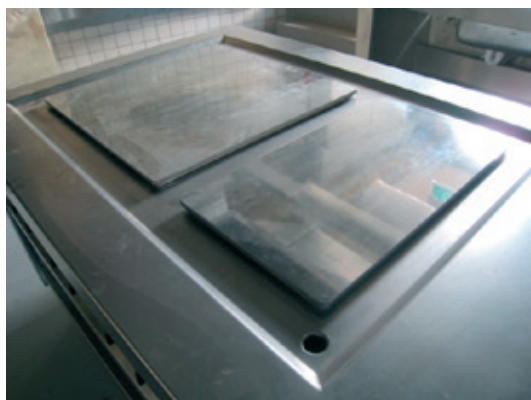

**Metos Ardox S2 Tabletop** is a chrome-surfaced flat-top stainless steel range with two 3,5 kW heating zones. The advantage of the flat-top range over a conventional iron plate range lies in its tempered chrome surfacing which reduces heat loss, cuts the kitchen's heat generation and saves energy. You can regulate the temperature of cooking zones separately with stepless control or just by shifting pans between the cooking zones. You can also use Ardox as a griddle and fry directly on the surface.

Metos Ardox can be used as a range or a griddle.

- flat-top range to be placed on top of table
- two 3,5 kW cooking zones
- flexible additional cooking capacity
- only 51 cm deep
- chrome-steel top, construction stainless steel
- chrome on the cooking top reduces heat loss
- stepless power regulator, indicator lights
- flat cooking top is easy to clean
- seamless gutter for boil-overs and cleaning waters, drawer collects drain water

Product number	3753577
